

# Nu-Fuzion™

Specialized Eco-Degreaser Ready to Use

## Description

**Nu-Fuzion™** is a specialized eco-degreaser created to replace the abusive use of aerosol solvents. Many years of research and development went into developing this product, which can safely remove heavy buildup of oil and grease, light graffiti and many other types of soil. This is a cleaner specially designed for the needs of garage workshops and heavy industry. **FOR PROFESSIONAL USE ONLY.**

## Benefits

- Very effective on mineral oils and stubborn stains.
- Low odor, low VOC's content.
- An effective alternative to solvents that are hazardous to your staff's health.

pH 11,5

## Directions

Spray directly on the soiled area, let stand for several seconds, then wipe off.

- Consult an InnuScience representative for more information on the dilutions, dosages or equipment to be used according to your needs.
- Consult a representative about our specialized training.
